Subject: Pavillion revised technical comments

Attached please find the second revision of the Pavillion technical comments, which are being shared for the DA briefing tomorrow. Region 8 has attempted to incorporate or reflect your input for nearly all comments provided by the review team. You'll note there are a couple of items flagged for additional ORD input- Kelly, maybe you and I could follow up on those? We are likely to still be putting polishing touches and hearing any senior management input over the next few days. Thanks again for all the assistance.

Ayn
